PRIVATE PARTY & DINNER AT THE PENTHOUSE

La Zambra *Penthouse*

Perched above the evergreen gardens and world-class golf courses, our exclusive Penthouse offers a truly unique retreat. Its coveted location promises unparalleled seclusion and privacy, ensuring an uncompromisingly luxurious event.

Here, the line between relaxation and

fun blurs. After all, it has everything one could wish to relax, unwind, and take in the Southern architecture – and that is how it lulls you.

As your mind winds down and your stay becomes a haze, every space invites you to look closer, dive deeper, enquire and desire.

World of Hyatt *honeymoon bonus*

Should you wish to take advantage of this offer and are not a World of Hyatt Member, we can help you enroll.
